Canadian Tour 2015-2016
2050 Mansfield – rendez-vous à l'hôtel
Created by La 2e Porte à Gauche

Responsibilities of the presenter

Before the event:

- Make an agreement with the company for the host and emplacement of the show;
- Ensure the marketing strategy of the show and the media relations;
- Provide a fee to the company La 2^e Porte à Gauche (L2PAG);
- Provide accommodation to the artistic and tour team (according to the agreement with le Germain);
- Provide the technical equipment required and a technician for the setting;

During the week of representations:

- Provide a box-office during the event (revenues for the presenter);
- Hire the required theater staff for the good running of the show (number to be determined);
- Hire 4 guides Engager 4 guides (for the reception of the public) dressed with clean and elegant clothes for the good running of the show. Theses guides will conduct the public during the presentation from room to room and have to be present for the reception of the public. L2PAG will give them the necessary information before the event (1 hour meeting);
- If necessary, provide an attendant for the cloakroom.

Responsibilities of the hotel

Before the event:

- Make an agreement with the company for the host and emplacement of the show;
- Provide a free access at the rooms and hotel facilities to the company during all the event (setting, rehearsals and presentations);
- Provide accommodation to the artistic and tour team (according to the agreement with the presenter)

During the week of representations:

- If necessary, provide a cloakroom for the reception of the public.
- Provide one or two waiting rooms for the public with a service of water and sofas. For example: entrance, reception room or conference room. Discussions can be made for a service of bar.
- Reserve an extra room as a dressing room for the artists.
- Provide a storage place for the technical equipment in the hotel.

Technical sheet (at the creation)

Note: This technical sheet gives an idea of what represents technically the hosting of the show in hotel. Please note that during the adaptation of the piece, for the different room configurations (Hotel ALT, Hotel Germain), we will try to simplify all the technical aspects.

Jérémie Niel & Catherine Gaudet (room 306)

For the presenter

- A sound system for computer or MP3 player with subwoofer and speakers.

For the hotel

- Remove the sofas.
- Do not clean the room (only vacuum the carpet and clean the glass of the bath).

For L2PAG

- Music of the piece on CD or MP3's player and costumes.

Olivier Choinière & Marie Béland (room 307)

For the presenter

- One lamp with a gel (hot or amber colour), with dimmer and has to be controlled from distance.

For the hotel

- Vacuum the carpet and clean the glass of the bath.

For L2PAG

- Two MP3 players with the music of the piece, two speakers, one flash light and costumes

Catherine Vidal & Frédéric Gravel (room 406)

For the presenter

- Two little lamps (Micro Ellipse type) and one neon light (medium size) for the bath.
- Install the tissue provided by the company in the bath.

For the hotel

- Use of the television.
- Use of the radio (with MP3 connection).
- Use of the water bottles and apples.
- Remove the sofas.
- Remove the shower curtain.
- Vacuum the carpet and clean the glass of the bath.

Pour L2PAG

- A MP3's player with the music of the piece, colored tissue, colored tubes of light and costumes.
