The Art (prononcez dehors) II : the Return !
Twelve dance projects outside during three days

Montreal, August 21st, 2008 - **La 2^e Porte à Gauche** presents the second edition of the dance event **The Art (prononcez dehors) II**, which will take place in the courtyard outside of the Place des Arts. For this event, twelve choreographers and fifty performers will present innovative dance work, from September 12th to 14th, 2008.

These performances will surround the exterior of the Place des Arts, exposing contemporary dance to both traditional dance lovers and a wider audience of pedestrian walk by traffic. As usual, **La 2^e Porte à Gauche** assembled these artists with a single mission: to explore the links between performance and the audience. Each day, the event will turn the courtyard of the Place des Arts into a 4 hours marathon of continuous dance from 3 pm to 7 pm.

Choreographers : **Marie Béland, Geneviève Gagné and Emily Honegger, Catherine Gaudet, Frédérick Gravel, François-Joseph Lapointe, Sonia Lareau, Caroline Laurin-Beaucage, Talía Leos, Jean-Sébastien Lourdais, Frédéric Marier, Katya Montaignac and Andrew Tay.**
